

Troop 486 Adult Resource Survey

Welcome to our Scouting family. Though Boy Scouts are expected to run the troop, Boy Scouting is for adults as well as boys. It is only through your talents and involvement that we can offer the best program to all of our sons. **In Troop 486 we require some involvement by each Scout's parents, friend or guardian** to help the troop function. There are many things to be done, and through this survey the Troop Committee wants to find ways you and the Scouts can enjoy using your talents together.

The troop needs your help!

Please complete one form "per adult" and fill in all the blanks. Thank you.
